OPORTUNITATS com a Universitat privada

The image shows the exterior of the Universitat Internacional de Catalunya building. The building is a modern, multi-story structure with a light brown facade and large windows. The name "Universitat Internacional" is written in large white letters across the top. A blue and white "uic" logo is visible on the left side of the building. In the foreground, a large group of students is sitting on a green lawn with yellow dandelions. The students are dressed in casual clothing, and some are looking towards the camera. The sky is clear and blue.

PUNTS FORTS DE LA RELACIÓ PÚBLICO-PRIVADA

An aerial photograph of a university courtyard. A large, multi-story red brick building with arched windows and circular openings is the central feature. The courtyard is paved with light-colored tiles and has several groups of students walking or standing. There are small trees and flower boxes along the building's edge. The sky is blue with some clouds.
